Please Remember:

The students on stage worked incredibly hard to present this concert.

*Please refrain from talking during the performance

*If your child is crying or yelling, please move to the lobby as to respect the musicians and the audience members listening to the performance

* Cell phones should not be used during the concert. The glare is distracting to both the audience members and the performers.

*Please wait to enter and exit the auditorium between pieces. Leaving in the middle of a piece is distracting to those around you.

*The concert is over when the last piece has been completed. Please wait to leave until the conclusion of the concert.
