The students on stage worked incredibly hard to present this concert.

\*Please refrain from talking during the performance

\* Cell phones should not be used during the concert. The glare is distracting to both the audience members and the performers.

\*Please wait to enter and exit the auditorium between pieces. Leaving in the middle of a piece is distracting to those around you.

\*The concert is over when the last piece has been completed. Please wait to leave until the conclusion of the concert.
